COMPANY HISTORY

*We build strong brand
and grow your business
through excellent man-
power services.*

2003

It was founded in 2003 by Fahad Saad Abdur Rahman KSA. The company was established to provide temporary staffing services to help companies manage fluctuating demands for labor.

Over the years, Wathin Company Ltd expanded its services globally and became one of the favourite workforce solutions companies in KSA. The company offers a wide range of services, including temporary staffing, permanent placement, career transition, and talent management solutions. It continues to innovate and adapt to the changing needs of the workforce, helping both businesses and individuals navigate the dynamic world of work.

MISSION

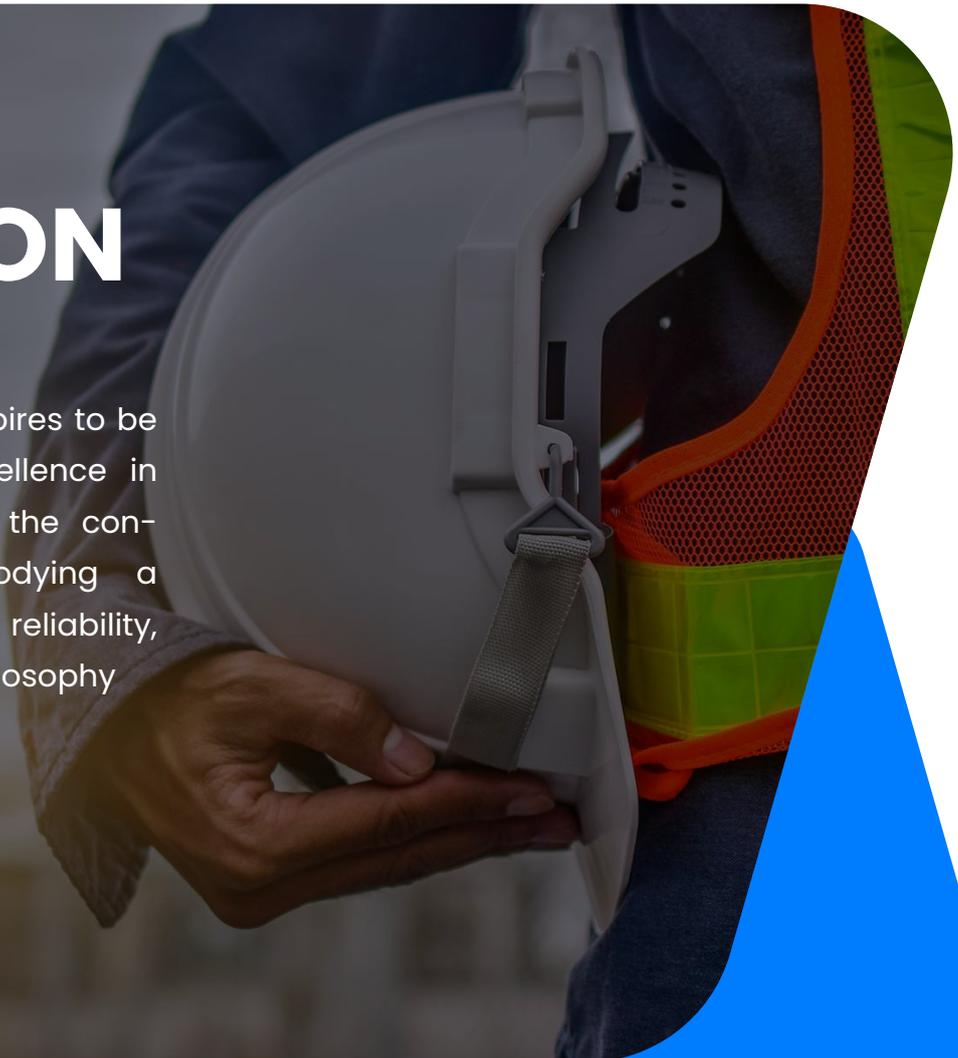

Our mission is to provide top-notch staffing solutions that meet the unique needs and requirements of any construction company.

Empowering Business, Through Skilled Manpower

& VISSION

Wathin Company Ltd aspires to be the cornerstone of excellence in manpower services for the construction sector, embodying a commitment to quality, reliability, and a people-centric philosophy

OUR SERVICES

Skilled worker is a segment of the workforce that has specialized know-how, training, and experience to carry out more complex physical, or mental tasks than routine job functions. In today's industry, I believe it is crucial to have a skilled workforce in any industry. Because they are highly qualified and experienced, skilled individuals can help your business become more productive. Whereas more training for unskilled workers may be necessary, this somehow takes more time and money to up skill them.
